

Family Emergency Plan

Your Sun City Palm Desert Emergency Preparedness Committee (EPC) recommends this Emergency Plan and Check List be used to formulate your family's plan. It is quite likely when an emergency occurs all of your family members will NOT be home at that time. Also, since Sun City is located north of the 10 freeway, Riverside County has suggested we be prepared to take care of ourselves for 7-14 days. Therefore, it is essential that each family take responsibility for their own emergency preparedness.

Family Emergency Plan

- List a meeting point inside SCPD _____ (your house, a club house, baseball field, etc.)
- List a meeting point outside SCPD _____ (remember it may be difficult to get around)
- Pick a central point to check in _____ (out of state or area phone number- other family members or friends)
- Create and carry with you at all times an emergency contact list with names, addresses, phone numbers, including cell numbers, and email addresses.
- Create and carry a list of your doctors, medications, dosage including RX numbers and pharmacy name. Include addresses and phone numbers for each.
- Have emergency cash to use in case the banks and stores are closed due to the emergency. Keep at least a half tank of gas in your car at all times (if there is no power, there won't be gas available at stations)
- Create an emergency survival kit for both your house and car(s). Here is a suggested list but is not a complete list.
