

Emergency Preparedness Committee

Do you have a compassion to help those in need?

Some medical experience?
Doctor, Nurse or EMT? Office
experience? Then Sun City
needs YOU in a disaster!!

VOLUNTEER to be a part of the solution. During a major disaster, Sun City Palm Desert will be on our own for a while. Until outside medical services are available, we plan to open up First Aid Stations in the community. Depending on conditions, the first one is planned at Mountain View's Outdoor Sports Center, Bldg. D and will be announced on AM 1620.

Whether medically trained or not, the Medical Team may be for YOU. During a crisis, we will need all the helpers we can get.
