

# EMERGENCY PREPAREDNESS

What is this sign for?

➔ During a disaster, your Block Captain checks on their assigned homes to see if the residents are OK or need HELP. These door-to-door checks need to be done as soon as possible to help our residents. The Block Captains are equipped with walkie-talkies to radio for help. In a disaster, put the sign where it is easily seen from the street.

➔ If you are OK, the Block Captain can move on to the next neighbor who may need help and return to check on you later.

➔ To obtain an OK/HELP sign, contact us at [EPC@scpdca.com](mailto:EPC@scpdca.com) or at one of our events.
