

EMERGENCY PREPAREDNESS COMMITTEE

Radio Communications

An opportunity exists to join our Emergency Operations Center (EOC) Radio Teams. We will train you so no experience is required, just the willingness to help in an emergency. Once trained, the time commitment is minimal.

BROADCAST at AM 1620. Our Sun City Radio Station broadcasts local news in a disaster. Messages are both pre-recorded and live. The station is located by the bocce court, Sunset View Clubhouse. Contact us for a tour.

DISPATCH. Be part of the crew at the EOC, fielding calls from the Districts and support teams.
